 25 expenses required for the projects may be paid out of the fund. Money in the
 26 fund may be used to retire a mortgage or other indebtedness encumbering an

- 26 (1) The *Department for Local Government*~~[Governor's Office for Local Development]~~
 27 shall examine each capital project selected by the area development districts, and

1 when it finds that a proposed project conforms to the requirements of KRS 42.350
 2 to 42.370; that the estimated costs of the project are reasonable; that the costs
 3 proposed to be paid from the fund are within the amount available; and that the
 4 proposed beneficiary agency will be reasonably able to finance the operation and
 5 maintain the capital project during its estimated useful life, the commissioner of the
 6 Department for Local Government~~{Governor's Office for Local Development}~~
 7 shall approve it. If the Department for Local Government~~{Governor's Office for~~
 8 ~~Local Development}~~ determines that a capital project proposal does not conform to
 9 the requirements of KRS 42.350 to 42.370, that the estimated costs of the project
 10 are excessive or unreasonable in light of the public benefit to be derived from the
 11 project, or the unencumbered balance in the fund available for expenditure in the
 12 area development district is insufficient to pay the costs of the project, or the part
 13 thereof proposed to be paid out of the fund, or the beneficiary agency cannot
 14 reasonably finance the operation of or maintain the capital project during its
 15 estimated useful life, the project proposal shall be disapproved by the Department
 16 for Local Government~~{Governor's Office for Local Development}~~. The final
 17 decision to either approve or disapprove any project proposal shall be made no later
 18 than forty-five (45) days following official submittal of a complete proposal by the
 19 area development district, and the area development district shall be accordingly
 20 notified at that time.

- 21 (2) The commissioner of the Department for Local Government~~{Governor's Office for~~
 22 ~~Local Development}~~ may make direct grants-in-aid of money out of the fund to any
 23 beneficiary agency for the construction or acquisition of any approved capital
 24 project. When a direct grant-in-aid has been made to a beneficiary agency, all
 25 contracts awarded for the purchase of materials, supplies, equipment, or services,
 26 except professional and technical services, required for the construction or
 27 acquisition of the project shall be awarded to the lowest and best bidder in the

 5 341.317 and KRS Chapter 376 and other applicable statutes. All beneficiary
 6 agencies receiving a direct grant-in-aid under this subsection shall keep and
 7 maintain complete and accurate records of accounts of all expenditures of the grant
 8 moneys which shall be subject to audit by the Commonwealth for a period of five
 9 (5) years after completion of the capital project. Beneficiary agencies shall complete
 10 approved capital projects within a reasonable period of time as determined by the
 11 Department for Local Government~~[Governor's Office for Local Development]~~.

 15 Government~~[Governor's Office for Local Development]~~ and containing documents
 16 and information as may be necessary to determine compliance with KRS 42.350 to
 17 42.360 and other applicable statutes and administrative regulations. Beneficiary
 18 agencies shall be liable to repay to the fund any granted funds for failure to submit
 19 full project completion reports within a reasonable period of time or for expenditure
 20 of granted funds in violation of statutes and regulations. No additional area

 23 ~~Local Development]~~. Any grant moneys not required after all of the costs of the
 24 capital project have been paid by the beneficiary agency shall be promptly returned
 25 to the Commonwealth for reallocation for expenditure for other capital projects in
 26 the area development district to which the funds had been originally allocated.

27 (3) No capital project shall be constructed under KRS 42.350 to 42.370 except upon

4 uninterrupted use, occupancy, and possession for a period longer than the estimated
5 useful life of the capital project; provided nothing herein shall prohibit the
6 construction or renovation of public buildings on land with an existing
7 encumbrance to secure payment of funds obtained for the acquisition or
8 improvement of said land. Each beneficiary agency shall execute and deliver to the
9 Commonwealth its written assurances, which shall be binding on the agencies'
10 successors and assigns, guaranteeing that during its estimated useful life, the capital
11 project shall be operated and maintained for public purposes and pledging that no
12 mortgage or other encumbrances shall be placed against any capital project wholly
13 financed out of the fund, except industrial development projects, for the breach of
14 which assurances the Commonwealth shall have right of entry to the capital project
15 and the beneficiary agency, or its successors and assigns, shall forthwith convey the
16 title to the capital project to the Commonwealth. Similar assurances shall be
17 executed and delivered to the Commonwealth by the beneficiary agencies of capital
18 projects financed in part out of the fund and in part from other sources, except that
19 when additional funding is derived from the issuance and sale of revenue bonds or
20 under other statutorily authorized financing methods, to secure the repayment of
21 which funds a statutory mortgage lien is granted in favor of any person or group of
22 persons, the capital project may be encumbered to the extent authorized or required
23 by the law under which the financing method was undertaken; nor shall anything in
24 this section prohibit the encumbrance of any real property located within an
25 industrial park or constituting an industrial site, developed or improved as a capital
26 project under KRS 42.350 and this section, by any person, firm, company,
27 partnership, or corporation to which the property has been conveyed, to obtain

1 financing for the construction upon the property of industrial and commercial

 13 the amount of fees accrued during his official term and which have been collected
 14 and paid to the Department for Local Government~~[Governor's Office for Local~~
 15 ~~Development]~~.

16 ➔Section 42. KRS 64.480 is amended to read as follows:

17 (1) Effective, with respect to the offices of Governor on December 11, 1979, and
 18 Lieutenant Governor on the fifth Tuesday following the regular November election
 19 in 1975, and with respect to the other offices named in this section on the first
 20 Monday in January, 1976, the compensation of the following named officers,
 21 payable monthly out of the State Treasury, shall be the sum per annum designated
 22 for the respective offices, as follows: Governor, forty-five thousand dollars
 23 (\$45,000) until December 11, 1981, then fifty thousand dollars (\$50,000) until
 24 December 13, 1983, and then sixty thousand dollars (\$60,000) until January 1,
 25 1985; Lieutenant Governor, twenty-seven thousand nine hundred dollars (\$27,900)
 26 per annum, plus any compensation received while acting in the place of the
 27 Governor; Attorney General, Commissioner of Agriculture, Secretary of State, State

1 Treasurer, Auditor of Public Accounts, and clerk of the Supreme Court of Kentucky
 2 elected in November, 1975, as clerk of the Court of Appeals, twenty-seven thousand
 3 nine hundred dollars (\$27,900).

- 4 (2) In order to equate or adjust the compensation of the Lieutenant Governor, Attorney
 5 General, Commissioner of Agriculture, Secretary of State, State Treasurer, Auditor
 6 of Public Accounts, and clerk of the Supreme Court of Kentucky with the
 7 purchasing power of the 1949 dollar, the Department for Local
 8 Government~~[Governor's Office for Local Development]~~ of Kentucky shall compute
 9 by the second Friday in February of every year, beginning in 1977, the maximum
 10 permissible compensation of the officials mentioned in this subsection based
 11 precisely upon the consumer price index formula approved in *Matthews v. Allen*,
 12 Kentucky, 360 S.W.2d 139 (1962). Thus the maximum permissible compensation
 13 effective for the entire year of 1977 and subsequent years will be the actual
 14 compensation to be paid said officials. The year of adjustment will be the particular
 15 full calendar year involved.

- 16 (3) It is the intention of the Legislature that the constitutionally permissible adjustment
 17 of salaries of these officials be framed around equating current salaries with the
 18 purchasing power of the dollar in 1949 when Section 246 of the Constitution of
 19 Kentucky was amended. Section 246 of the Constitution of Kentucky, as amended,
 20 established a monetary level of twelve thousand dollars (\$12,000) per annum for
 21 said officials. The formula merely effects an adjustment of the constitutional
 22 monetary level in terms of the current consumer price index.

- 23 (4) In order to adjust the compensation of the Governor to reflect changes in the
 24 purchasing power of the dollar, the Department for Local Government~~[Governor's~~
 25 ~~Office for Local Development]~~ shall compute by the second Friday in February of
 26 every year, beginning in 1985, an adjusted salary of the Governor by multiplying
 27 sixty thousand dollars (\$60,000) by the increase in the consumer price index during

the period from January 1, 1984, to the beginning of the then-current calendar year.

The actual compensation paid to the Governor for the entire calendar year of 1985 and subsequent years shall be the adjusted salary.

→Section 43. KRS 64.527 is amended to read as follows:

In order to equate the compensation of jailers who do not operate full service jails, constables in counties having an urban-county form of government, justices of the peace, county commissioners, and coroners with the purchasing power of the dollar, the Department for Local Government~~{Governor's Office for Local Development}~~ shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than seven thousand two hundred dollars (\$7,200) per annum. The Department for Local Government~~{Governor's Office for Local Development}~~ shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled in accordance with the increase or decrease in the consumer price index. Upon notification from the Department for Local Government~~{Governor's Office for Local Development}~~, the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the Department for Local Government~~{Governor's Office for Local Development}~~.

→Section 44. KRS 64.5275 is amended to read as follows:

(1) The General Assembly of the Commonwealth of Kentucky hereby finds and determines that county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties are officers whose duties or jurisdictions are coextensive with that of the Commonwealth within the meaning of Section 246 of the Constitution of Kentucky.

- 1 (2) Effective on the first Monday in January of 1999, the maximum salary of county
 2 judges/executive, county clerks, jailers who operate a full service jail, and sheriffs
 3 shall be fixed by the Department for Local Government~~Governor's Office for~~
 4 ~~Local Development~~ according to a salary schedule in accordance with Section 246
 5 of the Kentucky Constitution. The salary schedule provides that these officials, as
 6 officers whose jurisdiction or duties are coextensive with the Commonwealth, shall
 7 be paid at a rate no greater than twelve thousand dollars (\$12,000) per annum as
 8 adjusted for any increase or decrease in the consumer price index and as described
 9 in subsection (4) of this section.
- 10 (3) The salary schedule for county judges/executive, county clerks, jailers who operate
 11 a full service jail, and sheriffs in all counties provides for nine (9) levels of salary
 12 based upon the population of the county in the year prior to the election of county
 13 officials as determined by the United States Department of Commerce, Bureau of
 14 the Census's annual estimates. To implement the salary schedule, the Department
 15 for Local Government~~Governor's Office for Local Development~~ shall, by
 16 November 1 of each year preceding the election of county officials, certify for each
 17 county the population group applicable to each county based on the most recent
 18 estimates of the United States Department of Commerce, Bureau of the Census. For
 19 the purposes of this section, the salary schedule for county judges/executive, county
 20 clerks, jailers who operate a full service jail, and sheriffs shall remain as determined
 21 by the Department for Local Government~~Governor's Office for Local~~
 22 ~~Development~~ pursuant to this section, regardless of changes in the population
 23 estimates or the actual census count that may occur during the term for which the
 24 official has been elected or appointed. The salary schedule provides four (4) steps
 25 for yearly increments within each population group. County officers named in this
 26 section shall be paid according to the first step within their population group for the
 27 first year or portion thereof they serve in office. Thereafter, each officer, on January

1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department for Local Government~~[Governor's Office for Local Development]~~ the total number of years, not to exceed four (4) years, that the person has previously served in the office. The Department for Local Government~~[Governor's Office for Local Development]~~ shall place the officer in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

 3 an annual basis for any increase or decrease in the consumer price index in the same
 4 manner as salaries are adjusted as described in subsection (4) of this section. The
 5 Department for Local Government~~[Governor's Office for Local Development]~~
 6 shall promulgate administrative regulations in accordance with KRS Chapter 13A to

 9 peace who serve on fiscal courts, county commissioners, and jailers who operate
 10 life safety jails, jailers who are part of a transportation plan, or jailers who act as
 11 court bailiffs shall also be eligible for the training incentive payments in accordance
 12 with subsection (6) of this section.

13 (8) The provisions of this section shall not apply to a county judge/executive in a
 14 county which has established a consolidated local government pursuant to KRS
 15 Chapter 67C.

 26 a Class B misdemeanor. If he knowingly omits or fails to report a correct statement
 27 of all money received or collected or knowingly makes or subscribes any false

1 statement concerning the same, he shall be guilty of a Class D felony.

2 (3) If any deputy or personal representative issuing a fee bill in accordance with KRS

5 (b) "Governing body" means the body possessing legislative authority in a city,
 6 county, or special district.

7 (2) No special district shall be legally created without sending notification of its
 8 existence in writing to the clerk of the county within the jurisdiction of which its
 9 principal office shall be located. This requirement for notification is in addition to
 10 all other provisions of existing law providing for the creation of special districts.
 11 The notification shall contain the names and addresses of the members of the

 13 specific reference to the statute or statutes under which it was created, and a brief
 14 description of its service area and activities. The clerk shall record the original and

 22 discretion, may allow the prevailing party, other than the district, a reasonable
 23 attorney's fee and court costs, to be paid from the district's treasury.

23 that the governing body of the district has violated the provisions of this section,
24 shall order the district to comply with its provisions. The Circuit Court, in its
25 discretion, may allow the prevailing party, other than the district, a reasonable
26 attorney's fee and court costs, to be paid from the district's treasury.

27 ➔Section 50. KRS 65.117 is amended to read as follows:

1 (1) No city, county, urban-county, consolidated local government, charter county,
 2 special district, or taxing district shall enter into any financing obligation of any

 15 compliance if that notification is provided to the state local debt officer no later than
 16 one (1) year after July 15, 2008.

17 ➔Section 51. KRS 65.260 is amended to read as follows:

18 (1) No agreement made pursuant to KRS 65.210 to 65.300 shall relieve any public
 19 agency of any obligation or responsibility imposed upon it by law except that to the
 20 extent of actual and timely performance thereof by a joint board or other legal or
 21 administrative entity created by an agreement made pursuant to KRS 65.210 to
 22 65.300, that performance may be offered in satisfaction of the obligation or
